# LoTi Institute

## FOR ADMINISTRATORS

### *LoTi Administrator Institute*

#### **Limited Availability!**

The LoTi Administrator program focuses on improving student achievement using 21st Century Leadership and data-driven decision-making. The Institute includes strategies for

- (1) conducting classroom walkthroughs with H.E.A.T.;
- (2) designing professional development opportunities that target greater rigor and relevance, LoTi, and research best-practices;
- (3) creating a campus Next Steps Action Plan.
